Re: Response to SEM-26-67 Terms of Reference for the Market Audit 2026

Dear Aline,

The Single Electricity Market Operator (SEMO) welcomes the opportunity to comment on the consultation regarding the Terms of Reference for the forthcoming Market Audit 2026 (SEM-25-67). SEMO sets out below our response to the consultation.

Proposed 2026 Market Audit Scope Expansion;

SEMO acknowledges the Regulators' proposal to extend the scope of the 2026 Market Audit to include a limited examination of certain activities undertaken by Meter Data Providers (MDPs). The proposed review will cover the provision of meter data for scheduled and ad hoc Settlement Reruns, together with activities relating to the investigation and resolution of Settlement Queries and Disputes, including the provision of updated data within the applicable timelines.

SEMO has no further comments on this proposal.

Yours Sincerely,

Nigel Thomson
