03 September 2026

E.2 REQUIREMENT TO APPLY FOR QUALIFICATION OF CANDIDATE UNITS

E.2.1.7 A Participant shall not submit an Application for Qualification where it is precluded to do so for a relevant T-1 Auction pursuant to J.6.1.10(b).

E.7 REQUIREMENTS FOR QUALIFICATION

E.7.2 Administrative Considerations

E.7.2.4 The System Operators shall reject an Application for Qualification from a Participant that is precluded from submitting an application for a relevant T-1 Auction pursuant to J.6.1.10(b).

J.6 TERMINATION OF AWARDED NEW CAPACITY

J.6.1.10 Where Awarded Capacity is terminated:

- (a) before achieving Substantial Financial Completion, then that shall not preclude a Participant submitting an Application for Qualification for the same capacity for a Capacity Year after the Capacity Year to which the terminated Awarded Capacity first applied; or
- (b) after achieving Substantial Financial Completion, then that shall preclude a Participant submitting an Application for Qualification for the same capacity for two T-1 Capacity Auctions held in the two years following termination where;
 - (i) the first such Capacity Auction shall be the first T-1 Auction where the Qualification Application Date falls after the effective date of the termination.

J.6.1.10A For the purpose of J.6.1.10, same capacity means:

- (a) in respect of a Generator Unit (other than a Demand Side Unit or an Aggregated Generator Unit):
 - (i) capacity that is subject to the same, modified, or reissued planning permission or Connection Agreement(s) or Connection Offer(s);
 - (ii) capacity with the same Technology Class; and
 - (iii) capacity with the same site address;
- (b) in respect of a Demand Side Unit, the same physical providers of the capacity for which a contract is in full force with the Participant at the date on which the Proof of Contract milestone was achieved; and
- (c) in respect of an Aggregated Generator Unit, the same Generators that form the unit at the later of:
 - (i) the date on which Substantial Financial Completion was achieved;
 - (ii) the date on which the Proof of Contract milestone was achieved; or

- (iii) the date of submission of the latest Implementation Progress Report prior to termination.

J.6.1.10B For the purpose of J.6.1.10, the definition of same capacity set out in J.6.1.10A shall not apply to New Capacity that is repowered or refurbished capacity based on Existing Capacity that has terminated and is then considered Existing Capacity.
