

Registration of interest for ESB PG PSO Auctions 2009

ESB PG (the “seller”) has been directed by CER to offer PSO supported two way CfDs for auction commencing on 22nd June 2009. The product offered will be limited to 600MW and will comprise Baseload constructs, the details of which will be confirmed in the relevant Auction Notices.

Any party who is interested in participating in the PSO Auctions will need to enter into a PSO 2009/2010 Master Agreement with ESB PG and satisfy the eligibility criteria contained in the relevant auction rules.

Interested parties are asked to register their contact information so that communications on the NDC process can be consistently communicated to all parties.

To register your interest in receiving PSO communications, please send your name, company, email address(es), and phone number to:

PGPSO@esb.ie

Communications will be sent by email to the email addresses notified through the above process only.

For the avoidance of doubt, those who register through the above process will be deemed to have registered with both the seller and with the MTF operator.
