

## **Publication of Q&A Document in relation to BNE Net CONE Assessment**

**16 November 2022**

**SEM-22-087**

On 19 October 2022, SEM Committee published the *Best New Entrant Net Cost of New Entry (BNE-Net CONE) Consultation Paper* (SEM-22-076), along with the assessment of the BNE Net CONE from CEPA/Ramboll for the capacity year 2026/27 (SEM-22-076a).

Following feedback from the industry, the SEM Committee has decided to provide an opportunity for the market participants to submit any questions in writing on the assumptions and/or methodology used in the report (SEM-22-076a) to calculate BNE. Following the receipt of the questions, CEPA will prepare a document containing answers to the questions sent by the market participants, which the SEM Committee will aim to publish on the SEM Committee website a week before the close of the BNE Consultation.

Please note that it may not be possible for CEPA/Ramboll and the RAs to provide answers to all the questions received due to time constraints.

Any interested market participants can send their questions to both Merin Joseph ([mjoseph@cru.ie](mailto:mjoseph@cru.ie)) and Donna Maye ([donna.maye@uregni.gov.uk](mailto:donna.maye@uregni.gov.uk)) by **close of business on 21 November 2022**. The SEM Committee will aim to publish the answer document by **24 November 2022**.
