## Information Note

On the 18 January 2023, the SEM Committee published a Briefing Note and other relevant documents relating to the CRM Exception Application and Opt-Out Notification Process for the T-4 CY2027/28 Capacity Auction ([SEM-23-003](#)).

Within the Briefing Note, a number of tables provided information on timelines for the USPC Exception Application process, the Multi-Year RO Exception Application Process and the Opt-Out Notification process.

On the 31 August 2023, the System Operators published an amended timetable for the T-4 CY2027/28 Capacity Auction. This is available [here](#). As a result of the amended Capacity Auction timetable, several milestones within the Briefing Note have also changed. The tables below show the revised milestones.
